前巻のあらすじ

花中島マサルは県立わかめ高校でセクシーコマンドー部、略してヒゲ部の部長を務める男である。彼と活動を共にしているのはヒゲ部の部員であるフーミン・真茶彦・キャシャリン・アフロ君、そして女子マネージャーのモエモエと顧問のトレバン、正体不明のメソ…である。彼等は校長さかきばらのぶゆきに見守られて、平和な学園生活を送っていた。そんなある日、事件は突然起きたのだった。トレーニング中のキャシャリンが宇宙人に捕われて、変な角みたいなモノを頭に付けられてしまった。なんと宇宙人の目的はマサルの肩にはめられたチャームポイントを奪い返すことだったが、マサルの巧みな話術によって、宇宙人は友好的に地球を去って行き、残ったのはキャシャリンの角だった。

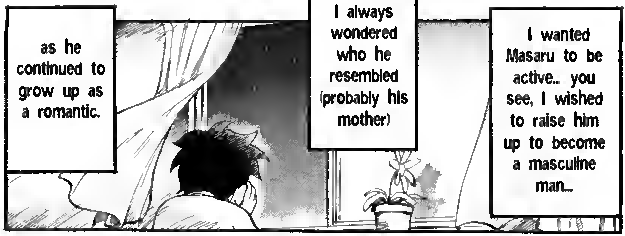
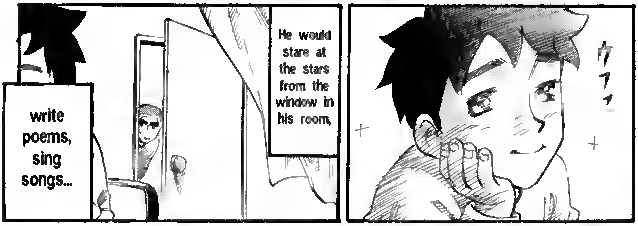
TAKE GOOD CARE OF MY SON FOR ME!!
NAAAHA-HAHA!! YOU TWO MUST BE SUKEDAN GIRLS, RIGHT?!

AND WHY DON'T THEY COME TO ME...?!
SERIOUSLY, THOUGH... WHY DOES MASARU ALWAYS SEEM TO ATTRACT THOSE TYPES...
NEVER WITH ANY YOUNG GIRLS LIKE THAT!!!
MASARU... YOU MUST NOT EVER GO OUT WITH ANY GIRLS LIKE THOSE TWO, NO MATTER WHAT THE CIRCUM-STANCES...!
Masaru was the perfect example of an insubstantial man.
GOD-DAM-MIT?
THERE ARE A LOT MYSTERIES TO THIS WORLD GODDAM-MIT
In his child-hood,
EH— UH— OKAY... IT WASN'T LIKE I WAS GOING TO AT ANY TIME IN THE FUTURE, THOUGH—



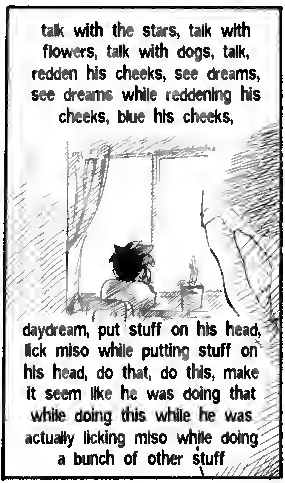
I wanted Masaru to be active.. you see, I wished to raise him up to become a masculine man...
I always wondered who he resembled (probably his mother)
as he continued to grow up as a romantic.



write poems, sing songs...
He would stare at the stars from the window in his room,
ケフィ

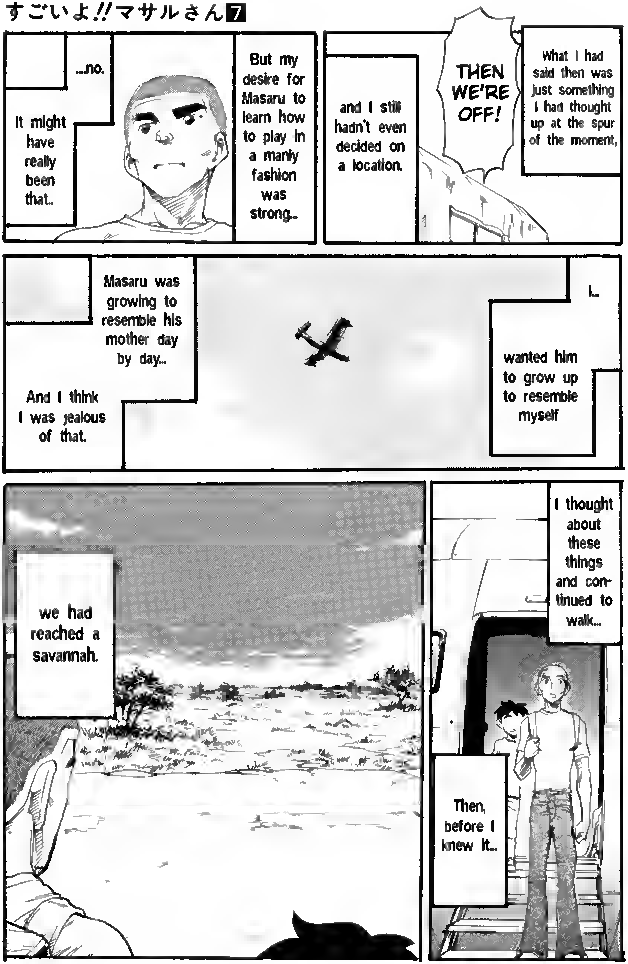
BEING ACTIVE IS PROOF THAT HE'S A STRONG BOY!
IT'S GOOD THAT HE'S DOING A LOT—

BUT.
HE ISN'T MANLY!!!



talk with the stars, talk with flowers, talk with dogs, talk, redden his cheeks, see dreams, see dreams while reddening his cheeks, blue his cheeks,
daydream, put stuff on his head, lick miso while putting stuff on his head, do that, do this, make it seem like he was doing that while doing this while he was actually licking miso while doing a bunch of other stuff

And so, one day...
UWAHAHAHAHA!!
WE'RE GOING ON AN OUTING TODAY! A PICNIC!!!
COME ON, YOU TWO! GET READY IN A MANLY FASHION!!
R... READY?
What's wrong, dear? This seems rather abrupt...
I was just about to read these romantic fairy tales to Masaru...
ROMANTIC FAIRY TALES?!
DON'T READ SUCH PRINCESSY STUFF TO HIM!!
Oh... but they're important! I don't want Masaru to lose his dreams when he grows up...
I want to raise him to became an adult who continues to see dreams even during the afternoon!
...but I think a picnic is a great idea! Let's go!
WOOOW! WHAT A SUDDEN CHANGE OF ATTITUDE!



...no.
It might have really been that..
But my desire for Masaru to learn how to play in a manly fashion was strong..
and I still hadn't even decided on a location.
THEN WE'RE OFF!
What I had said then was just something I had thought up at the spur of the moment,
Masaru was growing to resemble his mother day by day..
And I think I was jealous of that.
I..
wanted him to grow up to resemble myself
we had reached a savannah.
I thought about these things and continued to walk...
Then, before I knew it...

"Beware of Dogs," huh?

Still, though...

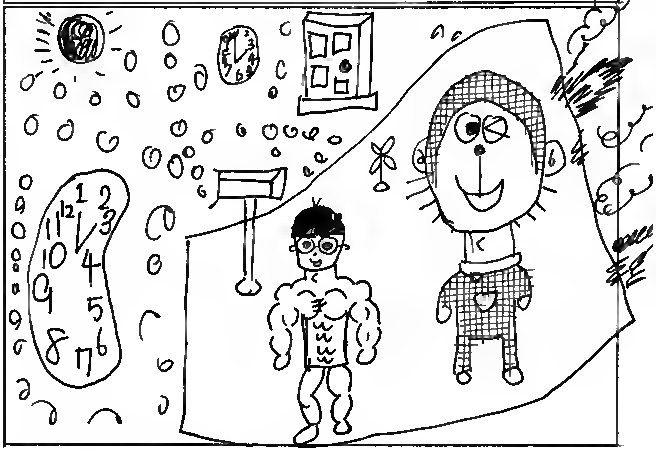
Summer Vacation Memories

Picture Journal
Torepan-sensei assigned a picture journal as homework for our summer vacation,
so I ended up having to draw it all on the last day
Also, I think Torepan was a little out of line
247
Hananakajima Masaru

Clear Weather 7/22 Tuesday



Today was a very boring day. Therefore I decided to indulge myself in fantasies. The theme is "An Enquiry Regarding Twisted Intestines and Religion in the 4th Dimension." But, it got a little out of control in the middle part, so I just started thinking about complaints I had about Torepan.

For example:

How he steals underwear.

How his underwear is rubber.

How his underwear sways.

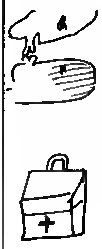
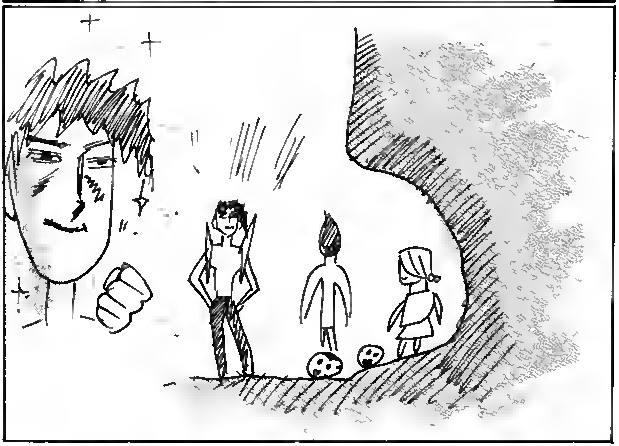
Clear Weather 7/26 Saturday



Today Fuumin, Machahiko and some other people went to the pool with me. After that Machahiko said "Yaay!" and "It's cold!" so we poured water on him. In the middle of that, Catherine went in the water and started frothing at the mouth. Then he floated up and we saw him and started getting really worried. At that moment I realized how much I hate lifeguards, since they always sit up really high and look down on people.

7/28 Monday



I had a bad dream.
All of a sudden, my mom tried to get me to do an arranged marriage. I said no, then after it got dark she took me to this really dark mountain place. Then on the side of the road I saw this little cave, and sitting inside was a girl with a red bandanna on. Then mom said this:
"This girl with the red bandanna on will give make lots of good eggs, so you need to marry her."
I said: "Okay, as long as she makes good ones," and decided to marry her.

When I went out for dinner
by Hananakajima Masaru

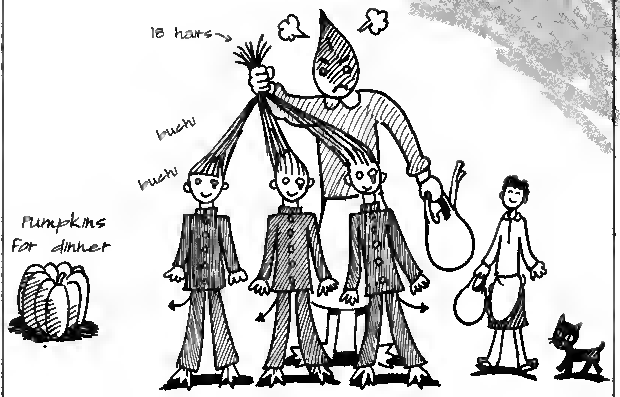
Today I went out for dinner with mom and dad. Then, when we got home, and were watching TV, a special scary show about ghosts came on. Right then I looked at the window for some reason and saw a man who looked like dad staring in. I thought "I should have ordered the tuna bowl instead of omelette rice."

8/1 Friday

Doing a good day each day

Today I helped a troubled old person out a little. (Some person from a company praised me.)

8



I am always in your debt

Yesterday when I went out to buy ingredients for dinner, some middle school students suddenly came toward me and said this "Move it, auntie You're in the way!" I think that young people these days have no sense of respect toward their elders As a lesson, I pulled six hairs out from each of their heads Sensei, please take good care of my Masaru from now on as well

I'm pretty sure I went to the summer festival with everyone today. I went with Machahiko, Fucumin, Catherine, Moe-Moe, and Afro-kun. There were a lot of shops there, but Fucumin said "let's eat fried octopus" so we we all ate that. Then Catherine got bonito flakes stuck in his throat and started frothing at the mouth again. It was the second time so I joked with him saying "I'm never hanging out with you again."
But.
That was a bad idea.

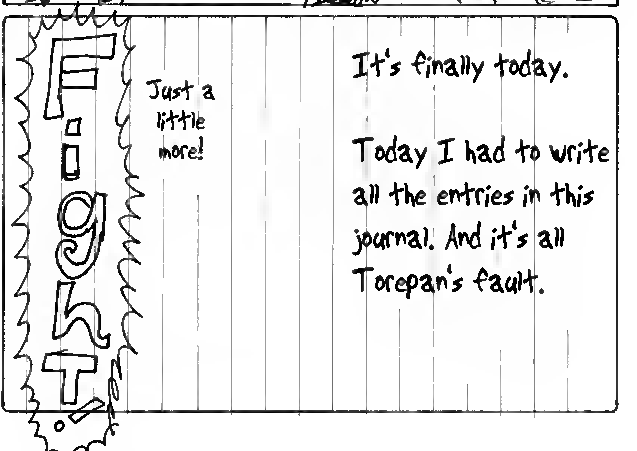
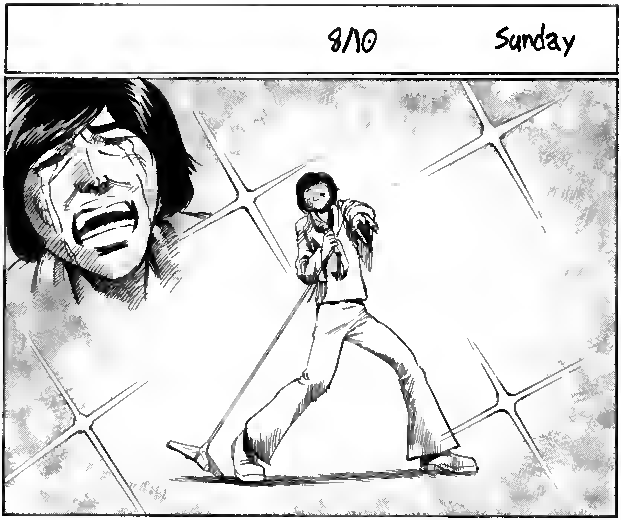
HATRED



Fight!
Just a little more!
It's finally today.
Today I had to write all the entries in this journal. And it's all Torepan's fault.



Beautiful Face Roller
by Hananakajima Masaru

Why do you put that metal on your face? Is it because of me? Because of me again? Or is it because of the hot rays of sun? Eh? What? How does it look...? Say that in Japanese! In Japanese! The sky is blue! Sing it! Come on, sing it! Ahh... roller, roller, roller, it's too bright! A beautiful face in the twinkle of an eye...

I'M FINI-SHED!!
Con gratula-tions, Masaru!
GOOD JOB!
HUUUH?! DAD, MOM, WHAT ARE YOU DOING UP THERE?!
We watched you from start to finish!
HONESTLY YOU... REALLY HAVE BECOME A FINE YOUNG MAN...
ALRIGHT, MOTHER! LET'S GO ALL-OUT WITH A CELEBRA-TION TONIGHT!
Ufufu. tonight I prepared chilled tomatoes!
YAAAY! CHILLED TOMA-TOES!!
After those 11 days all the pages were blank..
